

World Art Day 2025: In Art We Heal: A One-Day Co-Creator Pop-Up. A Lifetime Movement

More than an event, this is a living canvas, transforming 45Grand into a one-day pop-up celebrating the power of art as activism, expression, and healing.

NEW YORK CITY, NY, UNITED STATES, April 10, 2025 /EINPresswire.com/ -- This World Art Day, New York City becomes a living canvas as World Art Day 2025: In Art We Heal transforms 45Grand into a vibrant, one-day-only pop-up celebrating the power of art as activism, expression, and healing. More than an event, it's an open invitation to participate in a growing movement that values creativity, community, and healing as vital elements of cultural life.

Where: 45Grand, 45 Grand Street, New York, NY 10013

“

Art is how we speak when words fail. How we process, speak out, and heal together. 'In Art We Heal' isn't just a celebration—it's a promise that creativity can connect us across every divide..”

Joni Daidone, Co-Curator

When: Tuesday, April 15, 2025 | 1:00 PM – 9:00 PM

Admission: Free and open to all

RSVP/Follow: [Event Program Link](#) | Instagram @toni_short

Far more than a pop-up, [“In Art We Heal” is a movement](#)—a creative call to gather, witness, and co-create. It's a space for dialogue, inspiration, and visibility. Designed to foster a connection between artists and audiences, self and community, the event invites everyone—from established creators to curious newcomers—to participate in an immersive art

experience.

“This isn't just about art on walls—it's about [art in motion, in community, and in healing](#),” says event founder and creative director Toni Short, an award-winning multidisciplinary artist and global event producer. “In today's climate, artists need space to be seen, heard, and supported.

That's what this event is all about." -- Toni Short, Producer and Multidisciplinary Artist

The day-long program features an ever-evolving flow of creative expression, including:

[Live Art & Visual Installations](#)

Spoken Word & Poetry Performances

Live Music & Song

Immersive Performance Art

Artist Talks & Panel Discussions

Open Dialogue & Collaborative Spaces

Featured Artists Include:

Carmen Einfinger – Celebrated globally for her vibrant public installations

Anthony Christopher Newton – Hip-hop surrealist and visual activist

ZilFutura (Elizabeth Yurovskaya) – Mixed-media painter and wearable art creator

Daniel Lanzilotta – Environmental sculptor and 2024 Human Impacts Institute Climate Award winner

BETTY – Iconic music and performance group

Kevin McNeal Blueswing TRiO – Genre-blending musical force

Together, these intergenerational and cross-disciplinary artists represent a wide spectrum of identity, experience, and creative purpose—each committed to expression as a force for transformation.
