

Brisk MD Announces Comprehensive Behavioral Health and Opioid Addiction Treatment Programs

Woodlyn, PA – Brisk MD a leading provider of mental health and addiction treatment services.

TAMPA, FL, UNITED STATES, April 10, 2025 /EINPresswire.com/ -- Brisk MD a leading provider of mental health and addiction treatment services, is proud to announce the launch of its innovative and comprehensive behavioral health and opioid addiction treatment programs. These programs are designed to offer support, healing, and long-term recovery for individuals struggling with opioid dependency and associated mental health challenges.

As opioid addiction continues to impact communities nationwide, Brisk MD has developed an evidence-based treatment approach that integrates both behavioral health and addiction recovery services. Our holistic treatment model focuses on the whole person, addressing not just physical dependency but also underlying mental health issues such as depression, anxiety, and trauma that often contribute to addiction.

Key Features of Our Opioid Addiction Treatment Programs:

1. **Personalized Care Plans:** Each individual receives a customized treatment plan based on their unique needs, ensuring a targeted approach to recovery.
2. **Dual Diagnosis Support:** Our programs are designed to address co-occurring mental health disorders alongside opioid addiction to promote sustainable recovery.
3. **Medication-Assisted Treatment (MAT):** We utilize MAT to ease withdrawal symptoms, reduce cravings, and support long-term recovery.
4. **Therapeutic Interventions:** Our team of experienced clinicians employs a variety of therapies, including Cognitive Behavioral Therapy (CBT), Dialectical Behavioral Therapy (DBT), and trauma-informed care.
5. **Family Support and Education:** We offer family counseling and education to help loved ones better understand the challenges of addiction and support their family member's recovery journey.

A Commitment to Compassionate, Accessible Care

"We understand that opioid addiction is a complex, multi-faceted issue, and we are committed to providing compassionate, evidence-based treatment for every individual who walks through our doors," said Alpesh Patel, CEO at Brisk MD "By integrating mental health and addiction treatment, we are helping individuals not only overcome addiction but also build the resilience and coping skills they need to thrive in the long term."

Community Outreach and Education

In addition to our treatment programs, BriskMD is dedicated to raising awareness about opioid addiction and its impact on the community. We offer educational resources, workshops, and outreach programs to help prevent opioid misuse and reduce the stigma surrounding addiction.
