

EXTRAORDINARY NURSES RECOGNIZED AT Nobis Rehabilitation Partners

Nobis Rehabilitation Partners Launches The DAISY Award for Extraordinary Nurses ® Throughout Its Rehabilitation Hospitals

ALLEN, TX, UNITED STATES, April 15, 2025 /EINPresswire.com/ -- Nurses at [Nobis Rehabilitation Partners](#) managed hospitals will soon be honored with The DAISY Award for Extraordinary Nurses ®. The award is part of the [DAISY Foundation](#)'s mission to recognize the extraordinary, compassionate nursing care they provide patients and families every day.

Christa Lohr, MSN, CRRN, NEA-BC, RN, Chief Clinical Officer

The DAISY Foundation is a not-for-profit organization, established in memory of J. Patrick Barnes, by members of his family. Patrick died at the age of 33 in late 1999 from complications of Idiopathic Thrombocytopenic Purpura (ITP), a little known but not uncommon auto-immune disease. (DAISY is an acronym for Diseases Attacking the Immune System.) The care Patrick and his family received from nurses while he was ill inspired this unique means of thanking nurses for making a profound difference in the lives of their patients and patient families.

“

It's important that our nurses know their work is highly valued across our hospitals, and The DAISY Foundation provides a way for us to recognize that value”

Officer*

Nurses may be nominated by patients, families, and colleagues. The award recipient is chosen by a committee at Nobis Rehab Partners to receive The DAISY Award. Awards are presented throughout the year at celebrations attended by the Honoree's colleagues, patients, and

visitors. Each Honoree receives a certificate commending her or him as an "Extraordinary Nurse." The certificate reads: "In deep appreciation of all you do, who you are, and the

incredibly meaningful difference you make in the lives of so many people." Honorees also receive a DAISY Award pin and a beautiful and meaningful sculpture called A Healer's Touch, hand-carved by artists of the Shona Tribe in Zimbabwe.

Said Bonnie Barnes, FAAN, Doctor of Humane Letters (h.c) and Co-Founder of The DAISY Foundation, "When Patrick was critically ill, our family experienced first-hand the remarkable skill and care nurses provide patients every day and night. Yet these unsung heroes are seldom recognized for the super-human, extraordinary, compassionate work they do. The kind of work the nurses at the hospitals managed by Nobis Rehab Partners are called on to do every day epitomizes the purpose of The DAISY Award."

Said Nobis Rehab Partners Chief Clinical Officer Christa Lohr, MSN, CCRN, NEA-BC, RN, "We are proud to be among the healthcare organizations participating in The DAISY Award program. Nurses go above and beyond every day. It's important that our nurses know their work is highly valued across our hospitals, and The DAISY Foundation provides a way for us to recognize that value."

In addition to the DAISY Award for Extraordinary Nurses, the Foundation expresses gratitude to the nursing profession internationally in thousands of healthcare facilities and schools of nursing with recognition of Nurse-led Teams, Nurse Leaders, Nurses Advancing Health Equity, Nursing Ethics, Nurse Educators, Nursing Students, Lifetime Achievement in Nursing and through the J. Patrick Barnes Grants for Nursing Research and Evidence-Based Practice Projects, Medical Mission Grants and their new Health Equity Grant programs.
