

John Muir Health Opening New San Ramon Outpatient Center at Bishop Ranch 15 in Phased Approach Beginning in April

Patients will have access to primary and specialty care providers, imaging, lab services and urgent care all in one convenient location.

WALNUT CREEK, CA, UNITED STATES, April 9, 2025 /EINPresswire.com/ -- [John Muir Health](#) is expanding its primary and specialty care presence in San Ramon to meet the growing health care needs of the area's population. The health system is investing \$30 million in a new outpatient center in Bishop Ranch 15, which is located at 12677 Alcosta Boulevard across from John Muir Health's partner hospital, San Ramon Regional Medical Center.

John Muir Health is opening a new outpatient center at Bishop Ranch 15 in San Ramon.

"Our goal is to provide the community with high-quality, affordable and coordinated care in a modern, healing environment," said Dr. Maureen Stevenson, Chief Administrative Officer, Ambulatory Services and Population Health at John Muir Health. "Many of the caring clinicians who patients have come to know and trust in the San Ramon community will be in the new facility, now working even more closely with their primary and specialty care colleagues."

John Muir Health will consolidate several of its existing San Ramon area clinics into Bishop Ranch 15. Patients will have access to primary and specialty care providers, imaging, lab services and urgent care all in one convenient location. The new outpatient center will more than double the size of John Muir Health's previous Bishop Ranch facility with 52,000-square-feet of space.

The [San Ramon Outpatient Center](#) is opening in phases during April and May.
