MACON, GA, UNITED STATES, April 9, 2025 /EINPresswire.com/ -- Divorce With Dignity, a national network

committed to providing amicable and cost-effective divorce solutions, is pleased to announce that Michael Lemon, Esq. has joined the network as a Certified Mediator and owner of Divorce With Dignity – Middle Georgia. Michael will serve families throughout the Middle Georgia region, offering compassionate guidance to couples seeking a respectful and peaceful divorce process.

“

By offering guidance, structured mediation, and a commitment to reducing conflict, my goal is to help families transition peacefully, minimize stress, and make informed decisions for their future.”

Michael Lemon, Esq.

With a Juris Doctor from Stetson University College of Law and a Bachelor of Science in Business Administration and Management from Mercer University, Michael combines legal expertise with a deep understanding of business and interpersonal dynamics. His certifications as a General Civil and Domestic Relations Mediator by the Georgia Commission on Dispute Resolution and as a Qualified Arbitrator by FINRA further enhance his ability to facilitate constructive conversations and fair resolutions.

Michael brings over six years of experience in divorce mediation to his practice. While he has handled divorce cases from start to finish, he realized that litigation often escalates conflicts rather than resolving them. This realization led him to focus on guiding couples toward solutions that keep them in control of their futures. Michael’s approach is unique—he listens intently, ensuring every party feels heard. Rather than dictating outcomes, he guides clients through their options, offering solutions tailored to their unique situations. Divorce can be a difficult transition, but with Michael’s support, it doesn’t have to be a battle.
