Denise Wright Lund weaves together suspense, horror, and spiritual reckoning, captivating readers right up to the final, shocking revelation.

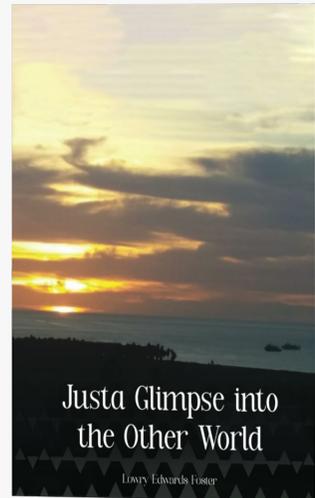

In his touching and witty dual-format creation "MOM!!!: Both Novel & Play," author Mick Lang presents a profoundly relatable depiction of a mother-son bond brimming with

affection, exasperation, and the unbreakable connections of family. Set against the lively backdrop of a Sicilian-American home in New Orleans, this narrative beautifully illustrates the shared challenge of tending to aging parents while weaving through the intricate tapestry of enduring family relationships.

At the center of the narrative is Mom—determined, boldly self-reliant, and endearingly obstinate—who is resolute about staying in her beloved home, holding on to her cherished delights like Ensure, V-8, and Reese's Peanut Butter Cups. Her bachelor son Vincent, her most regular guest, is concerned for her safety while striving to respect her dignity and independence. His sisters may not visit as frequently, yet each arrival carries the rich tapestry of their shared past, infused with the essence of their Sicilian roots and joyfully expressed through the art of cooking. "MOM!!!: Both Novel & Play" by Mick Lang presents an unfiltered depiction of a relationship that is chaotic, exasperating, and stunning in its flaws—a narrative that numerous readers will recognize, connect with, and ultimately find solace in.

Taking readers on a journey to an enigmatic realm where time twists, secrets awaken, and spirits unite in pursuit of truth, Charles R.
