

2025 MUSE Photography Awards Announces the Photographers & Category Winners of the Year

The International Awards Associate (IAA) unveils the winners of the 2025 MUSE Photography Awards, a historic moment in celebration of the 10th anniversary.

NEW YORK, NY, UNITED STATES, April 22, 2025 /EINPresswire.com/ -- The International Awards Associate (IAA) proudly unveils the winners of the 2025 [MUSE Photography Awards](#), marking a historic moment as MUSE celebrates its 10th anniversary. This prestigious competition continues to set new global standards, attracting over 4,000 entries from more than 40 countries. As the art of photography transcends borders, this year's winners exemplify the power of visual storytelling, capturing emotions, cultures, and perspectives that resonate worldwide.

2025 MUSE Photography Awards Full Results Announced

“

As MUSE reaches its 10th anniversary, we celebrate the global photography community that has continued to inspire while demonstrating both technical brilliance and compelling storytelling.”

*Thomas Brandt, spokesperson
of IAA*

The overwhelming response highlights the growing influence of MUSE as a global platform for both emerging and established photographers to achieve recognition. To uphold fairness and excellence, a distinguished panel of industry professionals, and creative experts evaluated each entry based on a rigorous judging process, reinforcing the competition's credibility and honoring only the most outstanding images.

2025 MUSE Photographers of the Year

The MUSE Photography Awards proudly announces its Photographers of the Year, recognizing exceptional talent

in both professional and amateur categories. Liam Man is awarded the title of MUSE Photographer of the Year (Professional) for Burning Cold, receiving a \$3,000 cash prize. In the amateur division, João Coelho is awarded MUSE Photographer of the Year (Amateur) for

Desperation, receiving a \$2,000 cash prize.

“Photography has always been a powerful medium, capable of capturing not just moments, but emotions, history, and change,” reflected Thomas Brandt, spokesperson of IAA. “As MUSE reaches its 10th anniversary, we celebrate the global photography community that has continued to inspire, embodying this vision while demonstrating both technical brilliance and compelling storytelling.”

Alongside the MUSE Photography Awards, its sister competitions, the [London Photography Awards](#) and [European Photography Awards](#) are now open for submissions, offering photographers worldwide the opportunity to achieve greater achievements.

About MUSE Photography Awards

The MUSE Photography Awards is an international competition celebrating excellence in photography, recognizing photographers who push creative and technical boundaries. With diverse categories spanning fine art, nature, fashion, minimalist, people, commercial, black & white, architecture, editorial photography and special category, MUSE honors those whose work inspires new perspectives and storytelling.

About International Awards Associate (IAA)

Established in 2015, the International Awards Associate (IAA) is a global organization dedicated to recognizing professional excellence and outstanding achievements in various industries. As the organizer of a wide range of prestigious award programs such as the MUSE Creative Awards, MUSE Design Awards, Vega Digital Awards, NYX Awards, TITAN Business Awards, TITAN Innovation Awards, London Design Awards, NY Product Design Awards, Noble Business Awards, French Design Awards, and many more, IAA aims to honor, promote, and encourage professional excellence, from industry to industry, internationally and domestically, through award platforms that are industry-appropriate.
