

Ferno Debuts Next-Generation EMS Transport System at FDIC 2025

The New Power F2 Fastening System and Power X2 Cot

INDIANAPOLIS, IN, UNITED STATES, April 10, 2025 /EINPresswire.com/ -- At FDIC International 2025, [Ferno](#), a global leader in emergency medical solutions, proudly unveiled its most advanced powered transport solution to date: the [Power F2](#) Fastening System with Cross-Drive™ Technology, launched in tandem with the new Power X2 Ambulance Cot.

Purpose-built for today's demanding EMS environment, this next-generation system delivers smarter performance, enhanced safety, and a streamlined user experience from scene to hospital.

Representing a significant leap in powered patient transport, the Power F2 and Power X2 feature upgraded electronics, intuitive controls, and a future-forward design engineered to meet the challenges of modern emergency response. "The Power F2 and Power X2 aren't just product upgrades—they're a vision for the future of EMS," said Renee LaPine, CEO of Ferno. "We listened to medics, fleet managers, and frontline teams who asked for a system that's stronger, simpler, and smarter. That's exactly what we built."

Key innovations include:

- Cross-Drive™ Technology: A first-of-its-kind system offering cross-compatibility with both Ferno and Stryker® cot systems, Cross-Drive delivers smooth loading and unloading, along with continuous push/pull assist to reduce provider strain and elevate operational flexibility.
- Ferno Connect™ diagnostics for proactive maintenance and minimal downtime
- User-informed design grounded in real-world EMS feedback

Designed with input from field professionals, the Power F2 system empowers medics with a high-performance solution that prioritizes safety, adaptability, and reliability—for both patients and providers. "What truly sets the Power F2 apart is how closely it was shaped by real-world feedback," LaPine added. "This is EMS equipment built by and for the people who rely on it every day."

Launch Details

- Pre-orders Open: April 2025 (during FDIC)
- Official Product Launch: August 2025

EMS professionals attending FDIC 2025 are invited to Booth #1139 for hands-on demos and to connect directly with Ferno's engineering and product teams.
