

# LEDs do! Launches New Online LED Lighting Web Store

SHELBY, NC, UNITED STATES, April 11, 2025 /EINPresswire.com/ -- LEDs do!, a leading North American LED manufacturer based in Shelby, NC, is proud to announce the launch of its brand-new online store. The store will bring cutting-edge LED lighting solutions directly to customers worldwide.

"We are excited to introduce [ledsdo.com](https://ledsdo.com) as a go-to destination for high-quality LED lighting," said Andreas Weyer, Managing Director of ledsdo.com. "Our goal is to provide innovative lighting solutions that empower designers, businesses, and homeowners to bring their vision to life while maintaining energy efficiency and longevity."

## Illuminating the Future with Advanced LED Solutions

LEDs do! specializes in a wide range of LED lighting products tailored for various applications, from architectural and commercial projects to residential and custom lighting designs. The online store features an extensive catalog, including:

- [SMD LED Tape Lights](#) – Versatile, energy-efficient lighting tapes ideal for accent, task, and maximum brightness applications.
- [SOB LED Tape Lights](#) – Hotspot-free LED tapes designed for continuous dot-free illumination and decorative lighting.
- LED Neon Ropes – Flexible, vibrant, and durable LED solutions that mimic traditional neon lighting in damp and wet locations.
- LED Neon Tubes – Sleek and slim lighting options perfect for ambient lighting, cabinetry, and creative designs.
- LED Shelf Lights – Innovative lighting solutions for shelving, retail displays, and cabinetry.
- LED Flexible Light Sheets – Cuttable and shapeable solutions ideal for signage, architectural
