IBN Technologies: Expert in Outsourced Finance and Accounting Services

Persistent Hurdles for SMEs Handling Accounts Payable and Receivable:

- 1) Limited internal capacity to manage the growing complexity of financial operations.
- 2) High labor costs and inefficiencies from manual invoice tracking and processing.
- 3) Increased exposure to financial errors, resulting in missed receivables or late vendor payments.
- 4) Inadequate cash flow insights, leading to poor financial decision-making.
- 5) Resource constraints for meeting compliance, audit, and reporting obligations.

- 6) Lack of scalability in finance teams to support business expansion.

IBN Technologies Approach to Enhancing AP and AR Efficiency

IBN Technologies distinguishes itself as a leader among Accounts Payable and Accounts Receivable services providers by offering a blend of affordability, security, and virtual efficiency. Key differentiators include:

- End-to-End Financial Management: Comprehensive handling of Accounts Payable and Receivable, ensuring 99% accuracy in payments and collections.
- Enterprise-Grade Security: Advanced encryption, SOC 2, and ISO 27001 compliance to protect sensitive financial data—outperforming traditional competitors.
- Cost Savings of Up to 50%: Significant reduction in overhead compared to maintaining in-house teams, freeing capital for growth initiatives.
- Dedicated Virtual Teams: Round-the-clock access to experts, eliminating the need for on-site staff while ensuring real-time support.
- Scalable Solutions: Flexible services tailored to business growth, from startups to established enterprises.

These strengths firmly establish the company as a trusted financial partner for small and mid-
