

Mayhew Tools Unveils New 20 Pc. Pneumatic Master Set in Foam Tray

This precision-crafted master set combines top-notch quality, durability, and convenience

TURNERS FALLS, MA, UNITED STATES, April 11, 2025 /EINPresswire.com/ -- Mayhew Steel Products, Inc. ([Mayhew Tools](https://www.mayhewtools.com)) announces the release of their latest innovation: the 20 Pc. Pneumatic Master Set in a Custom Cut Foam Tray, Part Number 32090F. This new set is engineered to meet the rigorous demands of professionals seeking high performance, durability, and organization in their tools.

The 20 Pc. Pneumatic Master Set has a .401 Turn-Type style shank and is crafted from high-strength steel alloy, ensuring remarkable durability. Its black oxide finish provides superior corrosion resistance, making it a dependable choice for even the most demanding environments.

The set also comes in a custom cut foam tray that fits seamlessly into tool drawers, promoting easy access and organization. The precision-crafted tools are designed for a snug and secure fit, eliminating any movement during retrieval and ensuring efficiency during use. The tray is durable, able to withstand daily use and clearly displays each part number.
