Sunnova Energy #1 Sale Details page:

<https://svdisposition.com/auction-detail?id=729>

This unprecedented sale offers access to new-in-box, high-demand inventory ideal for installers, integrators, developers, and resellers in the clean energy space.

Featured Equipment Includes:

Enphase and Generac Batteries

High-Efficiency Solar Panels

Inverters, Optimizers, Transfer Switches

Battery Cabinets, Cabling, and Installation Hardware

And much more!

All assets are being sold as surplus to Sunnova's ongoing operations as the company sharpens its focus on core services and long-term energy innovation.

About Silicon Valley Disposition (SVD)

Silicon Valley Disposition (SVD) is a global leader in online auctions, specializing in the strategic monetization of surplus and underutilized assets. Through our innovative Surplus Asset Manager (SAM) proprietary platform, we help companies manage, track, and monetize their assets with precision. SAM provides a streamlined process for evaluating asset value, identifying recovery opportunities, and implementing tailored auction strategies to reach the right buyers at the right time.

Supported by SVD Studios, we amplify results with high-impact marketing campaigns and global reach, ensuring maximum exposure and return on investment for every asset.
