Roam Tillamook, formerly known as Old Mill RV Resort, sits on the historic site of Garibaldi's once-thriving lumber mill, a cornerstone of the town's economy for much of the 20th century. The mill, which began operations at the turn of the century, played a crucial role in shaping the town's identity, providing jobs and driving commerce along Tillamook Bay. While the mill is long gone, one towering remnant remains—the iconic smokestack, a lasting tribute to Garibaldi's hardworking past.

Roam Tillamook embraces this rich history while offering a modern retreat for today's travelers. Located just off the breathtaking Oregon Coast Highway and with newly remodeled amenities,
