McKinney's premier pet resort offers specialized bathing equipment to enhance grooming experience for dogs.

MCKINNEY, TX, UNITED STATES, April 12, 2025 /EINPresswire.com/ -- [Fetch Me Later](#), McKinney's premier luxury pet resort, offers the BatherBox spa bathing system designed to reduce stress during dog grooming. The system features continuous warm water flow that provides gentle massage action while cleaning offering a stress-free, deep-cleaning experience designed to promote relaxation and well-being for canine guests.

The BatherBox system, now available at Fetch Me Later's McKinney location, utilizes a deep-cleaning mechanism that continuously flows warm water and shampoo. This approach helps create a more relaxing experience for dogs during the grooming process.

"We understand that grooming can be stressful for many dogs, which is why we've introduced the BatherBox system," said Mr. Ben Muehler, Community Relations at Fetch Me Later.
