Villarreal Soccer Academy announces that three standout players from its 2012 team have been invited to compete in the prestigious Madrid Football Cup U-14

HOUSTON, TX, UNITED STATES, April 14, 2025 /EINPresswire.com/ -- [Villarreal Houston Soccer Academy](#) proudly announces that three standout players from its 2012 team—Jacob Matthew McLain, Jonathan Gonzales, and Kalel Coronel—have been invited to compete in the prestigious Madrid Football Cup U-14, scheduled for September 19–21, 2025, in Madrid, Spain. This opportunity is the result of a special collaboration between Villarreal Houston Academy and [D10 Football Club](#) of Buenos Aires, Argentina.

Widely recognized as one of the top youth tournaments in the world, the Madrid Football Cup U-14 regularly features powerhouse clubs such as Real Madrid, FC Barcelona, Atlético de Madrid, Paris Saint-Germain, Chelsea FC, Arsenal FC, and Juventus FC. The event serves as a global stage for emerging soccer talent.

Several top professionals have competed in this tournament in their youth, including Warren Zaïre-Emery (Paris Saint-Germain), who played in the 2019 edition and is now one of Europe's brightest young stars. Lucas Bergvall, who helped IF Brommapojkarna win the same year, has since debuted professionally and is considered one of Sweden's most promising players.

As part of this international collaboration, the three Houston players will travel to Madrid a few days ahead of the tournament to join D10 Football Club, train with the team, and participate in friendly matches as final preparation. This will be the first international partnership between Villarreal Houston Academy and D10 Futbol Club, with more joint initiatives on the horizon.
