

SGS to Showcase e-Customs Innovations at Transport Logistic 2025

GENEVA, SWITZERLAND, April 14, 2025 /EINPresswire.com/ -- SGS, the world's leading testing, inspection and certification company, is delighted to announce its return to Transport Logistic 2025.

SGS returns to Transport Logistic 2025

This premier four-day trade show will take place at Messe München's Trade Fair Center in Germany from June 2-5, 2025. It serves as the leading platform for businesses involved in logistics, mobility, IT and supply chain management.

Transport Logistic 2025 will bring together exhibitors and industry experts from around the world to network, share insights and forge new business opportunities. Attendees will explore cutting-edge products and solutions while gaining valuable knowledge about the latest trends shaping the future of global transport and logistics.

SGS will have experts from Türkiye, the UK, the Netherlands, Romania, Ireland and Germany at Booth #434, Hall A4, ready to guide businesses looking for industry-leading advice on customs procedures and solutions.

With decades of experience, SGS offers comprehensive solutions to enhance trade facilitation, including customs transit and guarantees, import and export declarations, automation, VAT and fiscal representation, excise duties, customs software and consultancy.
