

SPA Awarded \$43.5 Million Contract for Nuclear Weapons Surety Program Support

ALEXANDRIA, VA, UNITED STATES, April 14, 2025 /EINPresswire.com/ -- Systems Planning & Analysis (SPA), a leading global provider of data-driven analytical insights for critical national security programs, has been awarded \$1,526,176.76 on a sole source cost-plus-fixed-fee level of effort contract valued at up to \$43,539,863 if all options are exercised, in support of the U.S. Navy.

SVP and Division Director John Burton

This award underscores SPA's commitment to delivering high-quality support in critical sectors of national security, safety, and reliability. Key performance areas include policy, planning, analytical support to security, training, compliance, NWS incident response, and safety engineering. Work will be performed primarily in Alexandria, VA, and Washington, D.C., and is expected to be completed by February 2030.

“

The Navy's ongoing confidence and trust in SPA is a testament to our team's expertise in matters of critical national importance.”

John Burton, SVP and Strategic Division Director

SPA Strategic Division Director John Burton commented, “Our decades-long support to the U.S. Navy continues with this significant award. The Navy's ongoing confidence and trust in SPA is a testament to our team's expertise in matters of critical national importance. We will continue to honor that trust through this latest award and look forward to continuing to engage on the Navy's most challenging issues.”
