

# Cardinal Dermatology Center Opens May 1 in Cary, NC

*Launch Coincides with Skin Cancer Awareness Month*

CARY, NC, UNITED STATES, April 15, 2025 /EINPresswire.com/ -- — Just in time for Skin Cancer Awareness Month, [Cardinal Dermatology](#) Center is proud to announce the grand opening of its new practice at 150 Wellesley Trade Lane, Suite 204, Cary, NC, on May 1, 2025. The practice will be led by [Kevin Nethers, MD, FAAD](#), a board-certified dermatologist recognized for his compassionate care and clinical expertise in skin cancer detection and treatment, as well as chronic dermatologic conditions such as acne, psoriasis, and eczema.

Dr. Nethers brings a deeply personal commitment to dermatology, inspired by his family's history of skin cancer. His dedication has driven him to participate in groundbreaking melanoma research that now contributes to NCCN treatment guidelines. With a strong focus on early detection, Dr. Nethers provides full-body skin exams, mole evaluations, and comprehensive care for both melanoma and non-melanoma skin cancers.

May Is Skin Cancer Awareness Month

One in five Americans will be diagnosed with skin cancer by the age of 70. Early detection saves lives, and Cardinal Dermatology Center is here to help. With same-week availability, easy online self-scheduling, and a convenient Cary location with ample free parking, patients can now access expert dermatological care without the long wait.

"We opened Cardinal Dermatology to make high-quality skin care more accessible to the Cary community," said Dr. Nethers. "Whether you need a skin cancer screening or help managing chronic skin conditions, we're here to provide prompt, personalized care."

Kevin Nethers, M.D., FAAD
