TOMAH, WI, UNITED STATES, April 15, 2025

[/EINPresswire.com/](https://EINPresswire.com/) -- "Then Isaac Sowed", the latest work by Apostle Lynroy Scantlebury, challenges a long-held interpretation of a well-known biblical event and unveils a deeper divine process behind Isaac's Hundredfold blessing.

About the Book

Many have been taught that Isaac sowed during a time of famine and still received his Hundredfold return, a miraculous feat attributed to his faithfulness. However, "Then Isaac Sowed" brings a groundbreaking revelation that corrects this misconception and highlights the divine orchestration that truly led to Isaac's rapid rise in power and wealth within a year.

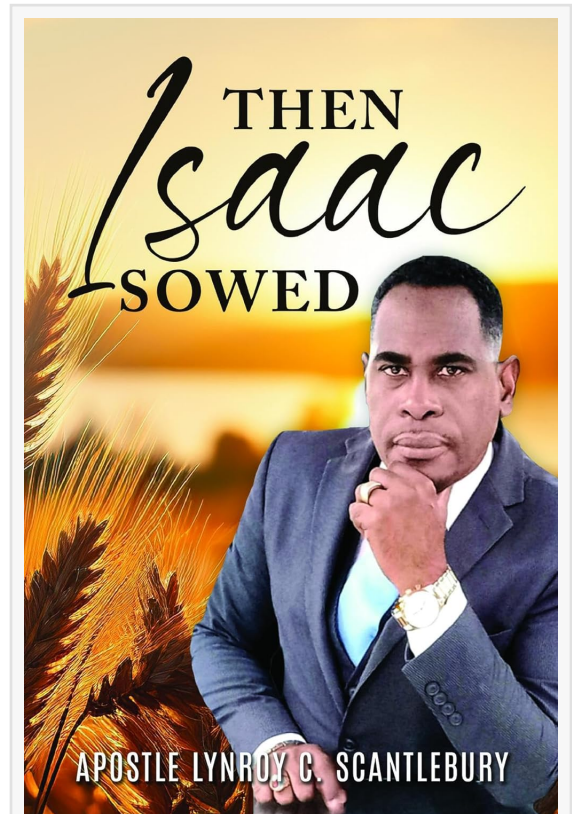

This book was written in seven nights following a visitation from an angel, during which Apostle Scantlebury received spiritual insight into the true nature of Isaac's success. The revelation goes beyond the traditional teachings of Genesis 26:12 and explores how political and divine laws aligned to bring Isaac into his season of abundance.

Through careful biblical analysis and divine revelation, "Then Isaac Sowed" opens readers' eyes to God's supernatural principles for increase, prosperity, and divine favor. This book is a must-read for believers seeking a deeper understanding of God's timing, faith, and the divine processes that unlock true abundance.
