

Restaurant Supply Chain Solutions (RSCS) Joins the Incentive Rebate360 Energy Efficiency Partner Hub

RSCS joins Incentive Rebate360's Partner Hub to streamline rebates, reduce costs, and accelerate energy-efficient upgrades for restaurants.

PHILADELPHIA, PA, UNITED STATES, April 15, 2025 /EINPresswire.com/ -- [Incentive Rebate360](#), a leader in commercial incentive and rebate recovery, proudly announces [Restaurant Supply Chain Solutions \(RSCS\)](#) as the newest partner in its groundbreaking Energy Efficiency Partner Hub. Supporting Yum! Brands (Taco Bell, KFC, Pizza Hut, and Habit Burger & Grill) and A&W Restaurants, RSCS is the largest procurement cooperative in the quick-service restaurant industry, playing a vital role in sourcing and supply chain management.

Driving Energy Efficiency with RSCS: A Strategic Partnership

By partnering with Incentive

Rebate360, RSCS members now have direct access to expert rebate recovery services, ensuring their investments in energy-efficient upgrades—such as LED lighting, HVAC systems, and commercial kitchen equipment—deliver maximum cost savings. This collaboration simplifies the rebate process, helping restaurants lower upfront costs, improve operational efficiency, and achieve long-term sustainability goals without disrupting their existing supply chain operations.

“We are excited to welcome RSCS to our Energy Efficiency Partner Hub,” said Jeanette Strickstein, VP at Incentive Rebate360. “RSCS plays a critical role in sourcing and supply chain optimization
