

Central Florida AI Firm ZeroTrusted.ai Named Top Enterprise Winner at South Summit Brazil 2025

KISSIMMEE, FL, UNITED STATES, April 15, 2025 /EINPresswire.com/ -- Central Florida-based cybersecurity company ZeroTrusted.ai has officially been named the Enterprise Category Winner at South Summit Brazil 2025, one of the largest and most prestigious innovation and entrepreneurship events in Latin America.

The Startup Competition attracted over 2,000 registered startups from 79 countries, with only 50 finalists selected to compete across five thematic tracks: Enterprise, Digital & Tech Solutions, Health, Industry 5.0, and Sustainability & Climate Tech. During the live pitch rounds in Porto Alegre, Brazil, startups showcased scalable, innovative solutions to a global panel of investors, technologists, and business leaders.

ZeroTrusted.ai emerged as the winner in the Enterprise category, recognizing its groundbreaking contributions to securing Generative AI systems and applying Zero Trust Architecture (ZTA) to Large Language Models (LLMs) and AI agents.

"This award validates that the world sees the same urgency we do," said Waylon Krush, CEO and Founder of ZeroTrusted.ai. "AI is transforming business and government, but it must be secure, compliant, and trustworthy from the start."

ZeroTrusted.ai: Securing Your AI — Ethically, Reliably, and in Real Time

As AI adoption accelerates across enterprises and government, ZeroTrusted.ai delivers the infrastructure and guardrails necessary to protect sensitive data, ensure regulatory compliance, and defend against adversarial threats in real time.

Its platform enables:

Real-time monitoring of LLMs, AI agents, and RAG systems
