Recognized As One of West Michigan's  
Best & Brightest Companies to Work for  
in 2025*

HARBOR SPRINGS, MI, UNITED STATES,  
April 16, 2025 /EINPresswire.com/ --  
For the second consecutive year,  
Birchwood Farms [Golf](#) & Country Club,  
has been honored as one of the "2025  
Best and Brightest Companies to Work  
For" in West Michigan by the National  
Association for Business Resources  
(NABR). This distinction highlights the  
club's unwavering commitment to  
fostering a positive and rewarding  
work environment for its employees.  
Notably, Birchwood Farms is the only  
country club in northern Michigan to  
receive this prestigious recognition.

"In a competitive market, we strive to  
attract and retain top talent," said Brooke Quick, Birchwood Farms Human Resources  
Administrator.

According to Quick, the award is a result of surveys conducted by NABR asking employees to  
score employers in various categories. At Birchwood Farms scores from staff evaluations  
increased in 2025 particularly in the following areas: offering above-average wages, employee  
engagement, retention, recruitment, education, recognition, communication, teamwork,  
leadership, community initiatives, wellness and upward mobility.

"Add to this free meals, free golf and a culture that feels like home away from home and you  
have a fun and fulfilling place to work," said Quick.

General Manager, Paul Marazzo added, "Our goal is to cultivate an environment where employees so genuinely enjoy working here, they become our best ambassadors for recruitment."
