The site also features all things from health, diet, fitness, home & garden matters right through to tips for selecting a chiropractor. There is something for everyone.

Interest by readers on the latest concerns and trends in [home electrical matters](#) they have commenced running a series of informative feature posts that focus on all things related to this. The team at Netstar have had a long relationship with Sydney based [Positive Vibe Electrical](#), a specialist Sydney based electrician and they have kindly offered expert onsite on technical insights relating to these featured posts. You can learn more about them by visiting their website here: <https://positivevibeselectrical.com.au>

The first feature they are running on home electrical matters is now published. To view this post, visit their website here: <https://www.netstar.com.au/understanding-and-preventing-electrical-hazards-in-pools/>

Stephen Francis content editor of Netstar said this in her interview with Eleven Media, "We have been experiencing great growth in visitors to our online magazine over recent years. We have listened to the feedback survey from our website visitors as to the content and experience they seek. We have seen the importance of also staying at the leading edge of technology to keep in touch with our clients the way they expect and to communicate in the best way possible the array of information we provide to our website visitors."

The blog has been in operation for over 10 years and is committed to meet client needs both in

the information they provided readers and technology they use. The leading Australian online lifestyle magazine has a long history of regularly featuring Australian industry sectors and companies.
