JACKSONVILLE, FL, UNITED STATES, April 16, 2025 /EINPresswire.com/ -- Durham School Services celebrated more growth and expansion with the grand opening of its new bus yard facility in Duval County today, which will serve students from Arlington to the Beaches. Team members, school district transportation staff, and local media attended the event.

"Today was a day to have fun and recognize those who transport our most precious cargo safely, on time, and ready to learn. It was also a chance to recognize the people who keep the buses running. We have been extremely excited about the opening and what it means for our drivers, monitors and community," said Nicoll Condén, General Manager at Durham School Services.
