

Author Ben Evans Unveils a Powerful Memoir on Chronic Pain: Shout at the Devil and Curse at the Lord

LITCHFIELD PARK, AZ, UNITED STATES, April 17, 2025
/EINPresswire.com/ --

In a raw and unapologetically honest memoir, author Ben Evans releases his latest book, *Shout at the Devil and Curse at the Lord: A Journey Through Chronic Pain*, a compelling account of life lived under the shadow of persistent, invisible suffering.

With piercing insight and unflinching candor, Evans chronicles his personal battle with chronic pain, inviting readers into a world that is often misunderstood and overlooked. Far from a tale of defeat, this book is a powerful declaration of endurance, humor, and the relentless pursuit of hope amidst hardship.

Through deeply moving storytelling, *Shout at the Devil and Curse at the Lord* serves as both a personal testament and a universal rallying cry for anyone navigating the isolating and often stigmatized world of chronic illness. Evans blends moments of vulnerability with sharp wit and unwavering honesty, crafting a narrative that is as impactful as it is unforgettable.

This memoir marks the first of three works by Evans. Two forthcoming titles, *Balanced as Fck: Mastering the 8 Things That Matter** and *The Balloon Theory: Finding Your Path in the World*, continue his commitment to exploring the human experience with clarity, depth, and purpose.

With *Shout at the Devil and Curse at the Lord*, Evans establishes himself as a fearless new voice in narrative nonfiction—one that refuses to shy away from pain, and instead, leans into it to find truth, strength, and connection.
