

Crave InfoTech Welcomes Holger Fritzing as Strategic Advisor to Drive the Next Wave of SAP Innovation

Crave InfoTech appoints Holger Fritzing as Strategic Advisor to advance SAP innovation and accelerate enterprise digital transformation.

NJ, UNITED STATES, April 17, 2025 /EINPresswire.com/ -- As businesses worldwide accelerate their shift to AI, automation, and digital transformation, [Crave InfoTech](#) is expanding its leadership to match this momentum. The company proudly announces the appointment of Holger Fritzing as Strategic Advisor.

With nearly three decades at SAP, Holger Fritzing brings expertise in cloud innovation, Business AI, and intelligent integration. His strategic insight and deep understanding of enterprise platforms make him an invaluable addition to Crave InfoTech as the company accelerates its global expansion and product innovation.

A Legacy of SAP Innovation

Holger has held multiple leadership roles at SAP in Germany and the United States, including leading SAP Mobile Solution Management, heading the High-Tech Industry Business Unit, and playing a key role in shaping SAP's BTP partner strategy. His ability to transform enterprise complexity into streamlined, scalable solutions makes him a powerful addition to Crave InfoTech's strategic leadership.

Crave InfoTech welcomes Holger Fritzing as the new Strategic Advisor

Driving Growth Through Strategic Insight

As an advisor, Holger will guide Crave InfoTech's product roadmap, strategic partnerships, and thought leadership initiatives. He will be critical in advancing the company's vision for intelligent, agile, and automated business solutions built on [SAP BTP](#) and AI frameworks.

"Holger's appointment is a big step forward for Crave InfoTech," said Shrikant Nistane, CEO of Crave InfoTech. "His depth in SAP strategy, product innovation, and partner engagement will elevate our offerings and amplify our impact across industries."

A Shared Vision for Innovation

“

Over the last few years, I've had the opportunity to support Crave InfoTech's journey to becoming one of SAP's top BTP partners. Now, I'm excited to help and take the company to the next level.”

Holger Fritzinger

Holger's passion for customer-focused innovation aligns with Crave InfoTech's mission to deliver purposeful, future-ready solutions. With his strategic input, the company aims to expand its portfolio of AI-powered apps, industry-specific accelerators, and smart integration frameworks that empower businesses to move faster, smarter, and more securely.

“Over the last few years, I've had the opportunity to support Crave InfoTech's journey to becoming one of SAP's top BTP partners,” said Holger Fritzinger. “Now, I'm excited

to help and take the company to the next level.”
