

Team Chiropractic of Raleigh Welcomes Dr. O'Leary to Their Growing Practice

RALEIGH, NC, UNITED STATES, April 17, 2025 /EINPresswire.com/ -- [Team Chiropractic](#) of Raleigh is proud to announce the newest addition to their team, [Dr. O'Leary](#), who officially joined the practice in March 2025. Dr. O'Leary brings a wealth of knowledge, energy, and a passion for helping others live healthier, more active lives.

Originally from Rochester, NY, Dr. O'Leary earned his Doctor of Chiropractic degree from Sherman College of Chiropractic in South Carolina. His journey into chiropractic care began during his undergraduate studies at SUNY Brockport, where he pursued a degree in Exercise Science. After benefiting firsthand from chiropractic treatments that helped him recover from sports-related head injuries in hockey, lacrosse, and snowboarding, Dr. O'Leary was inspired to dedicate his career to helping others experience the same healing benefits.

Between 2019 and 2021, Dr. O'Leary worked as a chiropractic assistant while also coaching hockey and athletics, further strengthening his commitment to wellness and community involvement. During his time at Sherman College, he was deeply involved in educational clubs, the on-campus clinic, and pursued additional certification as a Certified Chiropractic Extremity Practitioner (CCEP).
