LOCAL City Places allows just one business per category per area, meaning merchants enjoy total exclusivity on the platform. No direct competition. Just clear, focused visibility that helps local businesses attract and retain loyal customers.

More Than Marketing: A Real Rewards System

Every enrolled business also joins \$CASH\$BATES\$, a loyalty program that rewards consumers with up to \$35 a month in real cash for shopping locally and uploading their receipts. With a 4-level referral system, shoppers earn even more by inviting others.

For merchants, this creates a built-in incentive system and residual income stream, without having to lift a finger.

"LOCAL City Places is exactly what our local businesses need...more visibility, less risk, and a program that keeps customers engaged," said Sandy Drew. "It's the kind of support small businesses dream of."

Thanks to visionary sponsors like Sandy Drew, LOCAL City Places is helping local merchants across the country raise the bar, and their bottom line.
