

RESULTS Technology Named to List of Top Vertical Market MSPs

Recognized for Excellence in Financial Services Industry

OVERLAND PARK, KS, UNITED STATES, April 17, 2025 /EINPresswire.com/ -- RESULTS Technology, a leading provider of managed IT services in the financial services sector, is proud to announce

its inclusion in ChannelE2E's 2024 list of the Top Vertical Market Managed Services Providers (MSPs) in the world.

This prestigious recognition highlights RESULTS Technology's commitment to delivering specialized [IT solutions](#) and exceptional service to its clients.

“

This recognition means a lot to us. We have been providing IT support to the banking industry since 1999 and to be ranked #1 in Kansas and #2 in Missouri (again!) is really validating.”

*Patrick Murphy, President,
RESULTS Technology*

“This recognition means a lot to us. We have been providing IT support to the [banking industry](#) since 1999 and to be ranked #1 in Kansas and #2 in Missouri (again!) is really validating,” said Patrick Murphy, President of RESULTS Technology. “We continue to receive awards like this because of our excellent team of professionals who

are committed to accomplishing our group mission of helping people.”

ChannelE2E, a CyberRisk Alliance brand and leading resource for MSPs, IT service providers, channel partners, and strategic investors, releases its Top Vertical Market MSPs list annually. The list, now in its ninth year, ranks MSPs based on annual recurring revenue (ARR) in specific industry verticals for fiscal year 2023.

According to the ChannelE2E report, the top vertical market MSPs collectively generated \$2.46 billion in 2023, marking an 11.1% increase from the previous year.

"ChannelE2E's Top Vertical Market MSPs list shines a spotlight on those service providers that truly understand the unique challenges of their chosen industries," said Sharon Florentine, Editorial Director at ChannelE2E and MSSP Alert. "These MSPs are not only delivering vital IT and security solutions but also demonstrating how vertical market expertise can fuel sustainable growth and customer success."

About RESULTS Technology

RESULTS Technology is an award-winning provider of managed IT infrastructure, compliance & cybersecurity services to the financial services industry.

RESULTS Technology is owned by the John French family. John French was the former owner of Bankline, a bank service organization that provided data processing services to the banking industry in the 1980s. Bankline is now part of FIS.

RESULTS is the endorsed IT Services company of core providers Data Center, Inc (DCI), FPS GOLD, Automated Systems, Inc. (ASI), and the Community Bankers Association of Kansas.

RESULTS regularly completes the SSAE18 SOC2 audit. This audit is the gold standard for the validation of a service organization's operations and procedures. Learn more at www.resultstechnology.com
