BERG INJURY LAWYERS DONATES \$3,000 TO THE AWESOME SPOT PLAYGROUND

The Awesome Spot Playground at Beyer Community Park will be a fully inclusive play space where children of all abilities can play together. The playground will feature accessible

equipment and sensory-rich experiences that accommodate all children's physical, sensory, cognitive, and social needs.

Traditional playgrounds often present barriers for children with disabilities, limiting their opportunities for play and development. Inclusive play areas like The Awesome Spot Playground provide spaces where all children can engage together, fostering empathy and friendship while promoting physical activity and social skills.

“

We believe every child deserves the opportunity to play, learn, and grow alongside their peers. The Awesome Spot Playground represents exactly the kind of investment we're passionate about supporting.”

William Berg, founder of Berg Injury Lawyers

"We believe every child deserves the opportunity to play, learn, and grow alongside their peers," said William Berg, founder of Berg Injury Lawyers. "The Awesome Spot Playground represents exactly the kind of community

investment we're passionate about supporting."

The playground will include wheelchair-accessible surfaces, sensory play elements, quiet spaces for children who need breaks from stimulation, and equipment that encourages collaborative play between children of different abilities.
