

USGrants.org Tracks Over \$1.2 Billion in Federal Funding for U.S. Education Initiatives

USGrants.org Tracks Over \$1.2 Billion in Federal Funding for U.S. Education Initiatives

SACRAMENTO, CA, UNITED STATES, April 17, 2025
/EINPresswire.com/ -- USGrants.org, the nation's trusted portal for [government grants](#) and federal funding resources, has reported over \$1.28 billion in tracked federal funding dedicated to supporting U.S. education-related initiatives. This includes:

\$630+ million across 282 funding programs for elementary schools

\$86+ million across 67 programs for educators

\$562+ million across 480 programs for education programs and projects

These grants, administered by agencies including the Department of Education, National Institutes of Health, Department of State, and Department of the Interior, fund a wide range of initiatives—from classroom innovation and teacher development to charter school expansion and arts education.
