

HOURCAR, America's Largest Nonprofit Carshare Operator, Releases 2024 Carshare Impact Report

Underserved Communities Benefit From Electric Carshare Services

SAINT PAUL, MN, UNITED STATES, April 22, 2025 /EINPresswire.com/ --

HOURCAR, America's largest nonprofit carshare operator, releases its 2024 Impact Report. Focused on detailed metrics, the report documents continued growth, demand, and utilization of services throughout 2024. Growth continues to show high demand of electric vehicles throughout both hub-based and free-floating services. In 2024, electric utilization continued to expand, with over 171,000 electric trips taken.

Evie Carshare Trip in Lowertown, Saint Paul MN

"We're thrilled to see strong growth in the utilization of our services, particularly in underserved communities", says Paul Schroeder, HOURCAR's President and CEO. "This success wouldn't be possible without the incredible support of our partners and funders."

“

We're thrilled to see strong utilization of our services, particularly in underserved communities. This success wouldn't be possible without the invaluable support of our partners and funders."

Paul Schroeder, President and CEO

The 2024 Impact Report highlights many accomplishments, including:

- 27% trip increase across both services, exceeding 190,000 trips
- 32% annual membership increase, exceeding 11,000 members
- 7,992 metric ton greenhouse gas emission reduction
