

WinX DVD Launches Easter 2025 Bundle: 10-in-1 Multimedia Software at 80% Off

Digiarty unveils 2025 Easter event, slashing the price of 4 flagship products by 80% discount, from a \$218.80 value to \$39.95, with 6 free bonus tools included.

CHENGDU, SICHUAN, CHINA, April 18, 2025 /EINPresswire.com/ -- Digiarty Software, the developer of the

WinX DVD product line, has launched its 2025 Easter promotion, offering a 10-in-1 multimedia software bundle at an 80% discount. Through April 30, 2025, customers can obtain the entire package—normally valued at \$218.80—for \$39.95. The bundle includes four full-featured programs and six additional utility tools, providing functionalities such as DVD ripping, video processing, AI-driven video and image enhancement, and media file management and more. The promotion operates on a limited daily availability and concludes on April 30, 2025. Further details and access to this Easter promotion can be found at:

<https://www.winxdvd.com/promotion.htm>

Celebrate Easter with the exclusive WinX DVD bundle, a complete set of tools made to meet different multimedia requirements. Digitize DVD collections, including treasured Easter home movies; create DVD backups; enhance video and image quality with AI for a fresh look; organize Easter photos; convert audio and video formats for seamless sharing with family and friends; and transfer files between devices effortlessly. The core products included are:

Winxvideo AI: Winxvideo AI, a leading [video upscaler software](#) and all-in-one multimedia toolbox, supports video conversion, AI enhancement, screen recording and basic editing. It utilizes AI to upscale video to 4K, stabilize shaky footage, interpolate frame rates, reduce audio background noise, and enhance image quality with detailed refinement. The built-in GPU acceleration facilitates swift batch processing, all while maintaining offline data privacy.

[WinX DVD Ripper](#): WinX DVD Ripper is built to [copy DVD](#) to ISO or DVD folder in original quality and convert physical DVDs to digital formats. The software handles scratched and region-locked discs, providing adaptable output for mobile, NAS, and Plex libraries. With Intel Quick Sync/NVIDIA NVENC/AMD hardware acceleration, a standard DVD can be digitized in about five minutes, ideal for extensive DVD collections

A promotional banner for WinX DVD's 2025 Easter Deals. It features a row of software boxes: WinX Media, WinX DVD, WinX Video, and WinX DVD Ripper. To the right, text reads "Get 10-Software Bundle for \$39.95 Only" and "Exclusive 80% OFF for Our Valued Friends!". Below this, a countdown timer shows "Hurry, only 091 packs left today". A large orange button says "Buy Now" with the price "\$218.80" crossed out and "\$39.95" shown. The banner is set against a light green background with a subtle egg pattern.

WinX DVD 2025 Egg-cellent Easter Deals

WinX DVD Copy Pro: WinX DVD Copy Pro enables sector-by-sector cloning, ISO creation, and DVD-to-DVD backups. It is often mentioned for its ability to copy DVD, even damaged or unplayable discs, preserving DVD structure and menu navigation.

WinX MediaTrans: WinX MediaTrans functions as a file transfer and management tool for iOS users, offering two-way data sync between iOS devices and computers. It supports HEIC to JPG conversion and non-destructive media exports, catering to iPhone and iPad users' file management needs of photos, music, videos, and various other file types.

Complementing the core WinX DVD products, the bundle also includes six supplementary tools valued at \$225, expanding its utility to satisfy a broad spectrum of user needs.

- Vov Sticky Notes – Create and manage desktop reminders for tasks and events.
- AnyViewer v5.1.0 – Remote desktop tool for secure access and control across devices.
- Wise Care 365 – System utility for cleaning junk files and optimizing PC performance.
- IObit Software Updater – Keeps installed programs up to date with one-click updates.
- Photo Stamp Remover: Allows users to remove watermarks and unwanted objects from digital photographs.
- Donemax Disk Clone: Offers the ability to clone HDDs, SSDs, and USB drives, as well as create bootable backups for Windows computers.

This Easter promotion is subject to a daily quota and is available on a first-come, first-served basis until April 30, 2025. Interested individuals can find complete details about the discounted software and bonus gifts, and access the offer, at: <https://www.winxdvd.com/promotion.htm>
