and provider of custom search engine optimization services, proudly announces the opening of its newest office in Dallas, Texas. Founded in Seattle, Washington, SEO.co continues its nationwide expansion to meet growing client demand and better serve businesses in one of the country’s most dynamic and fast-growing metropolitan areas.

This strategic expansion brings SEO.co’s results-driven SEO, content marketing, and link-building services to the heart

of Texas, offering businesses in Dallas and the surrounding region direct access to the company’s expert team.

“Dallas is a natural fit for us,” said Nate Nead, CEO of SEO.co. “The city has become a hub for innovation, entrepreneurship, and business growth—all of which align with our mission to help companies scale their digital presence. As we continue to expand our footprint nationally, our presence in Dallas allows us to better connect with clients in the central U.S. and deliver [Dallas SEO services](#) that move the needle.”

Founded in 2010, SEO.co has helped hundreds of companies—ranging from funded startups to Fortune 500s—grow through comprehensive and customized SEO solutions. With its new office in Dallas, the company aims to deepen its engagement with businesses in industries including real estate, law, finance, healthcare, and tech.

“The Dallas business community is thriving and competitive,” added Samuel Edwards, Chief Marketing Officer. “We see a significant opportunity to deliver high-impact digital strategies to businesses that want to compete at a national or even global level. Our team is excited to bring the same level of excellence and strategic insight to Texas that our clients have come to expect

nationwide.”

In addition to SEO services, the Dallas office will provide local consulting, performance audits, and tailored digital campaigns. SEO.co’s expansion marks another milestone in the company’s long-term growth strategy to establish physical operations in key regional markets.

“Our expansion to Dallas is about more than just geography,” said Timothy Carter, Chief Revenue Officer. “It’s about relationships. We want to be where our clients are, face-to-face, building lasting partnerships and driving meaningful results. This move helps us do exactly that in one of the fastest-growing cities in the U.S.”

As SEO.co continues to grow, the company plans to explore additional regional markets while remaining focused on innovation, high-quality service, and measurable outcomes for its clients.
