What's a [VELCRO® Brand Platinum Converter](#)?

Velcro Companies has several Distributors that buy and resell finished [VELCRO® Brand products](#). These Distributors vary in size and market and geographical focus.

Velcro Companies' 'Converter' designation recognizes a unique subset of Velcro Companies' Distributors who are qualified in converting VELCRO® Brand materials for customers' applications or needs.

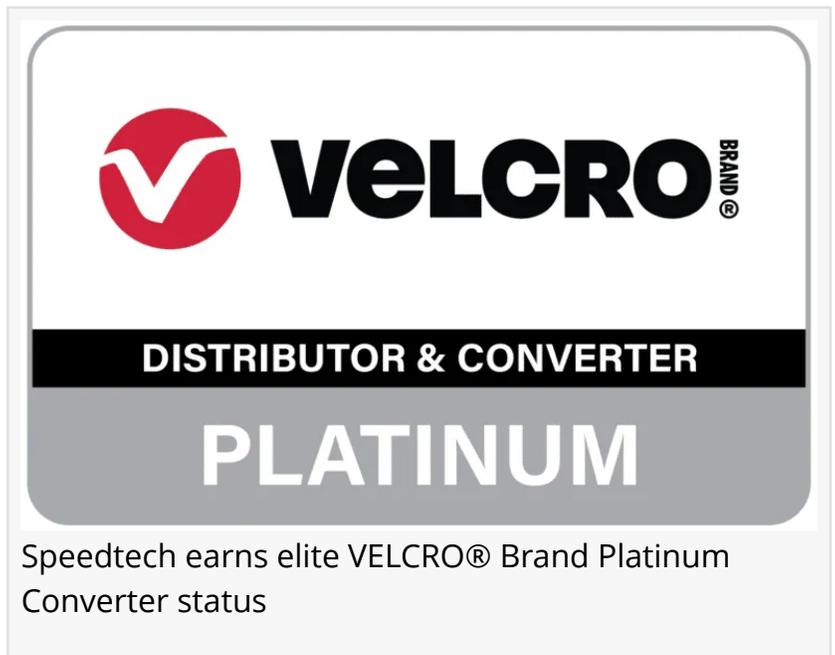

Speedtech has years of experience in fabrication and customization, has an excellent service record, reputation in the marketplace, and meets several other criteria set forth by Velcro Companies.

Our Platinum Converter status allows us to utilize Velcro Companies' expertise with any R&D Project. Combine that with our one-of-a-kind fabrication skills, and we deliver innovative, high-quality solutions to all of your business needs.

"Our partnership with Velcro Companies has always been a cornerstone of our business, and this recognition further solidifies our leadership in the industry," said Chris Karnowski, President of Speedtech International.

“Being named a Platinum Converter is not only an honor but also a reflection of our dedication to providing the highest quality fastening solutions to our customers. We are excited to continue working closely with Velcro Companies to bring innovative products to market.”

As a Platinum Converter, Speedtech will work with VELCRO® Companies to provide our customers advanced technical expertise, new products, and comprehensive support.
