

TFI Custom Fabrication Achieves Platinum Converter Status with VELCRO® Companies.

TFI Custom Fabrication earns elite VELCRO® Brand Platinum Converter status—one of only four in North America.

TFI Custom Fabrication combines expert craftsmanship with cutting-edge technology to deliver custom solutions built to last.

CHULA VISTA, CA, UNITED STATES, April 18, 2025 /EINPresswire.com/ -- [TFI](#)

[Custom Fabrication](#), a leading

manufacturer and fabricator of hook

and loop products and specialty fasteners, is proud to announce that it has been awarded the highly coveted Platinum Converter status by VELCRO® USA. This designation places TFI among an elite group of only four companies in North America to receive this honor.

We're excited to support customers using the combined expertise of TFI and Velcro Companies,. We're especially looking forward to bringing this new expertise to the West Coast."

Steve Pope

What's a [VELCRO® Brand Platinum Converter](#)?

Velcro Companies has several Distributors that buy and resell finished [VELCRO® Brand products](#). These Distributors vary in size and market and geographical focus.

Velcro Companies' 'Converter' designation recognizes a unique subset of Velcro Companies' Distributors who are qualified in converting VELCRO® Brand materials for customers' applications or needs.

TFI has years of experience in fabrication and customization, has an excellent service record, reputation in the marketplace, and meets several other criteria set forth by Velcro Companies.

Our Platinum Converter status allows us to utilize Velcro Companies' expertise with any R&D Project. Combine that with our one-of-a-kind fabrication skills, and we deliver innovative, high-quality solutions to all of your business needs.

"We're excited to support customers using the combined expertise of TFI and Velcro Companies," said Steve Pope, Vice President of TFI Fabrication. "We're especially looking forward to bringing this new expertise to the West Coast."

As a Platinum Converter, TFI Custom Fabrication will work with VELCRO® Companies to provide our customers advanced technical expertise, new products, and comprehensive support.
