

WorldSafe Hosts Free Live Q&A on Workplace Threat Prevention and Crisis Readiness

“Ask a Security Expert” Webinar to Feature Former Federal Advisors and Real-World Risk Insights on April 30, 2025.

RICHMOND, VA, UNITED STATES, April 22, 2025 /EINPresswire.com/ -- In response to the growing number of [workplace threats](#) and the increasing urgency around [emergency preparedness](#), WorldSafe will host a free Live Q&A Webinar on April 30, 2025, at 1:30 PM EST. The virtual event, titled “Ask a Security Expert,” offers business leaders, facility managers, school administrators, and HR professionals a rare opportunity to get answers directly from a panel of national security and crisis management experts.

Register here: <https://www.eventbrite.com/e/live-qa-ask-a-security-expert-online-with-worldsafe-tickets-1303381361739>

The panel will feature members of WorldSafe’s leadership team—each with decades of experience responding to high-risk incidents, conducting threat assessments, and advising both government and corporate entities on safety strategy.

Leaders are looking for guidance, not guesswork. This event is about empowering decision-makers with real answers to hard questions.”
Joe Heinzen, CEO of WorldSafe

Featured Speakers:

- Joe Heinzen, CEO of WorldSafe
- Jameson Ritter, security consultant and former law enforcement veteran
- Stephen Barrett, strategic risk advisor and public sector safety expert

A Timely Conversation Amid Rising Violence

Workplace violence, active shooter incidents, and infrastructure threats continue to climb, with recent data showing a 25% increase in violent incidents across sectors like healthcare, education, and logistics.

“Leaders are looking for guidance, not guesswork,” said Joe Heinzen, CEO of WorldSafe. “This event is about empowering decision-makers with real answers to hard questions.”

The webinar will cover:

- Top vulnerabilities most organizations overlook
 - What to do if your facility lacks a formal threat prevention plan
 - How to ensure compliance with new workplace safety legislation
 - Emerging technology for security, detection, and response
 - Real stories from the field—what works, and what fails
- Attendees will also receive early access to WorldSafe’s updated Workplace Violence Prevention Checklist, which aligns with new regulatory standards and offers a roadmap for risk mitigation.

Who Should Attend

- Corporate security leaders & risk managers
- Facilities and operations directors
- HR and compliance executives
- School and campus safety administrators
- Public sector safety coordinators
- Insurance and loss prevention partners
