— Wendy Aimee Porter, Founder of Boss Ladies Mindset

The event will include appearances by Elena Cardone, Kathleen Cameron, and dozens of women who've built six-, seven-, and even eight-figure brands—many of whom started with nothing but a story and a dream. Wendy herself is living proof: a cancer survivor and mother of three who rebuilt her life and business after leaving a 23-year toxic marriage, going on to lead one of the largest digital women's empowerment brands in the world.

We're done waiting for permission. This is about legacy, visibility, and helping women rise into the power they were born for."
