"Irene Rivers is the kind of femme fatale who doesn't just walk into a room, she owns it. She's brilliant, fearless, and uncompromising. Fans have been begging for more of her since she first appeared in the Jonathan Grave series, and now she's finally getting the spotlight she deserves. This Goodreads giveaway is the perfect way for readers to tap into Irene's raw power and experience firsthand why she's impossible to forget," exclaims Gilstrap.

Burned Bridges unveils Irene Rives as she has never been seen before, says Gilstrap. Fleeing the cutthroat politics of Washington for the quiet of rural West Virginia, Rivers is forced to discover new enemies and buried secrets far more dangerous than anything she left behind. When a murder cover-up surfaces on her family's land, Irene must go off the grid to protect her loved ones, relying on nothing but her training, her instincts, and her unbreakable resolve.

Gilstrap, known for his action-packed Jonathan Grave series, delivers a heart-pounding standalone that fans of Catherine Coulter, Tess Gerritsen, and Patricia Cornwell won't want to miss.

"This is a chance for all readers and fans of the Jonathan Grave series to see a character they love in a different light and delve into the psyche of Irene Rivers, a woman who's always been a force, but now we get to see the fire behind the badge," says Gilstrap.

Don't miss the opportunity to see Gilstrap live at the Pikes Peak Writers Conference, taking place May 1-5, 2025. He will be featured as a keynote speaker, in addition to leading workshops and critiquing manuscripts. Follow this link for more information: <https://conference.pikespeakwriters.org/>
