Inspired by iconic 1960s Grand Prix cars, the designs showcase distinctive forms and striking colors, paying tribute to the Golden Age of racing while retaining a modern touch.

### Vintage Design and Craftsmanship

The Lacorsa Grand Prix Game's art and design are unique, inspired by vintage Italian Grand Prix posters from the 40s to 60s. These visuals evoke nostalgia and reflect the history of racing in a timeless manner. The cars feature bold, exaggerated designs from classic 60s and 70s vehicles, each with colors representing racing heritage: red for Italy, green for Britain, and white for Japan.

An elastic mechanism allows the board to fit neatly in a standard-sized box, merging functionality with aesthetics.
