

# A Cereal Sensation - Chapel School's Epic Domino Chain Feeds Hundreds in Westchester

NEW YORK, NY, UNITED STATES, April 21, 2025 /EINPresswire.com/ -- The Chapel School (TCS) celebrated Lutheran Schools Week in a fun and meaningful way by creating a massive domino train made up of more than 400 cereal boxes. The boxes were generously donated by families from TCS Preschool through 8th Grade, demonstrating the school community's commitment to giving back.

Sponsored by The Blue Ribbon Foundation (BRF), the event brought students, teachers, and parents together for a memorable afternoon. After the domino display delighted the crowd, students loaded all of the cereal boxes onto a truck headed for Feeding Westchester — a nonprofit organization dedicated to ending hunger in the Westchester County area by sourcing and distributing nutritious food to neighbors in need.

"This was a tremendous school-wide effort," said Nancy Al-Omoush, President of The Blue Ribbon Foundation. "TCS families were incredibly generous, and our middle school students showed real

leadership in designing and setting up the domino course. It was such a fun and inspiring afternoon — a perfect blend of creativity, teamwork, and community service."

The donation will help support Feeding Westchester's ongoing mission to ensure that no one in the community goes hungry. Each cereal box collected will become part of a meal for a local family in need, reminding students of the power of small actions to make a big difference.
