Over 90 employees from the company's six offices gathered to honor founder Jack Roberts and celebrate nearly six decades of dedicated service to western North Carolina and beyond.

Yvonne Roberts, Executive Office Manager, opened the event with a heartfelt message about the value of going the extra mile. "At A-1, we strive to make a positive difference every day. Our success is a direct result of your commitment and hard work. From the bottom of my heart, thank you," she said.

President Bruce Roberts reflected on the company's humble beginnings, noting that his father, Jack Roberts, purchased A-1 on March 15, 1966, with just a panel truck, a sprayer, and two accounts. "The principles of honesty, integrity, and relentless dedication to solving our customers' problems remain the cornerstone of our business today," Bruce stated. He also recognized several employee milestones, including Nelson Soots, who has served the company for an impressive 54 years.
