

Turnkey Capital Launches The First and only Anti-Virus for iOS

Turnkey Capital Inc. announced the launch of Aedan Intelligence, a groundbreaking antivirus and mobile security app now available for free on the iOS App Store.

MURRIETA, CA, UNITED STATES, April 23, 2025 /EINPresswire.com/ -- [Turnkey Capital Inc.](#) announced the launch of [Aedan Intelligence](#), a groundbreaking antivirus and cybersecurity application now available for free on the iOS App [Store](#). Aedan Intelligence is the first and only cybersecurity solution for Apple devices that utilizes the power of Adaptive Intelligence to provide users with unparalleled protection.

Designed specifically for iPhone and other Apple devices, Aedan Intelligence is the world's first mobile security application powered by Adaptive Intelligence. Aedan identifies known and unknown threats by implementing a sophisticated pattern detection. It allows the user to scan a target folder to search and permanently destroy malicious codes discovered on the local device. Aedan Intelligence offers a proactive approach to mobile security. A future update will see Aedan Intelligence offering an AI-driven engine that learns and adapts to potential threats in real-time, offering a dynamic defense against the ever-evolving landscape of cyberattacks. The current version of the app is available for free, allowing users to experience the core benefits of Aedan Intelligence's cutting-edge technology. Turnkey Capital Inc. plans to introduce the paid subscription model in the future, which will unlock the full spectrum of the app's advanced functionalities.

•Aedan Intelligence key features include:

*Scanner to destroy corrupted files.

* User-Friendly Interface: Seamless and intuitive design for easy navigation.

•Future Functionality with paid subscription will include:

* Adaptive Intelligence: Learns user behavior and adapts its defenses accordingly.

* Real-time Protection: Continuous monitoring to safeguard against emerging risks. (Firewall)

Aedan Intelligence is available for download now on the iOS App Store. Are you safe?
