With this expansion, Kogan & DiSalvo now operates 11 offices across Florida, deepening its commitment to delivering top-tier legal representation to individuals and families affected by serious injury or wrongful death.

Michael J. Ryan brings more than 25 years of courtroom experience, representing clients and seeking justice in complex personal injury, medical malpractice, and product liability litigation. He has helped secure over \$250 million in verdicts and settlements for plaintiffs nationwide. But what truly sets Ryan apart is his dual role as a respected legal professional and a trusted public servant.

Since 2010, Ryan has served as the Mayor of Sunrise, one of Broward County's largest and most vibrant cities. As mayor, Ryan has focused upon, among other community priorities, public safety, education, and sustainability—priorities that align directly with Kogan & DiSalvo's core values of advocacy, integrity, and community commitment.

“Michael Ryan is not only a brilliant trial attorney, but also a proven leader who understands what it means to serve,” said Managing Partner Darryl Kogan. “As a mayor, he has spent over a decade building relationships, improving lives, and championing public safety. His presence at our firm reflects who we are: the best attorneys with the deepest community roots.”

Ryan shared his enthusiasm about joining the firm, stating: “I’m proud to join Kogan & DiSalvo, a firm that shares my passion for justice, advocacy, and sustained public service with compassion and the goal of making our world a better place. Together, we’ll continue making a real difference—both in and out of the courtroom.”

Ryan’s public service has earned him numerous accolades, including the Walter G. “Skip” Campbell, Jr. Lawyer-Public Servant Award from the Broward County Bar Association, Sustainable Civic Leader of the Year, and recognition for his leadership in making Sunrise a U.S. Chess Federation “Chess City.”
