The passport provides access to a curated selection of Calistoga's boutique and family-owned wineries, each offering a one-time tasting at 50% off. In addition to winery tastings, passport holders will enjoy exclusive deals at local hotels, restaurants, shops, and spas, making it the perfect way to turn a wine tasting into a full Calistoga getaway.

“

Calistoga's Summer Wine Passport is more than just a tasting program — it's an invitation to experience the laid back vibe of our community.”

*Eric Reichert, President and CEO of the Calistoga Chamber of Commerce*

The Summer Passport is the latest addition to Visit Calistoga's efforts to promote the region as a premier wine destination. With the success of the Winter in the Wineries Passport Program, which has been running for over a decade, Visit Calistoga saw an opportunity to extend the passport program to the summer season. This new

passport will allow visitors to experience the beauty and charm of Calistoga while indulging in some of the best wines the region has to offer.

“Calistoga's Summer Wine Passport is more than just a tasting program — it's an invitation to experience the laid back vibe of our community,” said Eric Reichert, President and CEO of the Calistoga Chamber of Commerce. “From world-class wine and intimate hospitality to live music

in the park, this is a perfect way to enjoy everything Calistoga has to offer during the summer season.”

Passports will go on sale starting April 25 and can be purchased at participating wineries, the Calistoga Welcome Center, online at [visitcalistoga.com](https://visitcalistoga.com), and through select lodging packages. With only a limited number of passports available, visitors are encouraged to purchase early to secure their spot. So, mark your calendars and get ready to explore the best of Calistoga's wine scene with the Summer Passport.
