

# Award Winners Announced for the 13th Annual Compass Intelligence Awards in IoT, Mobile/Business Tech, and Emerging Tech

*Congratulations to the 40 companies and organizations who are the 2025 award winners for the 13th Annual CompassIntel Awards.*

SAN ANTONIO, TX, UNITED STATES, April 22, 2025 /EINPresswire.com/ -- [Compass Intelligence](#) announces the recipients of the 13th annual [CompassIntel Awards](#), recognizing top companies, products, and technology solutions in mobile, IoT, business tech, and emerging technology industries. This year, 98 nominations were received from companies, public relations and corporate communications firms, editors, journalists, analysts, and other colleagues. These awards were voted on by a panel of industry-leading press, editors, journalists, thought leaders, and analysts in April. Compass Intelligence keeps the voting participants anonymous to minimize any bias due to existing relationships in the industry. Compass Intelligence announces 40 award-winning companies and organizations in this year's spring awards.

"As we celebrate the 13th Annual CompassIntel Awards, we continue to honor the trailblazers and visionaries shaping the future of technology and innovation. These recipients represent the best in their fields, pushing boundaries and driving transformation across industries," states Stephanie Atkinson, CEO & founder of Compass Intelligence.

The award recipients of the 13th Annual Compass Intelligence Awards are as follows:
