

Burple Creativity CEO Jay Goth to Appear on 'Superpowers for Good' TV Show on April 24

Superpowers for Good is accessible via the e360tv streaming network, YouTube, and major podcast platforms.

MURRIETA, CA, UNITED STATES, April 23, 2025 /EINPresswire.com/ -- [Burple Creativity](#) is proud to announce that its CEO, Jay Goth, will be featured on the upcoming episode of the television series [Superpowers for Good](#), airing on April 24, 2025. Hosted by Devin D. Thorpe, the show spotlights changemakers dedicated to making a positive impact on the world.

Burple Creativity is an innovative company dedicated to transforming the way neurodiverse individuals, especially those with autism, experience storytelling. Through immersive, multisensory environments like the Burble Story Tent, Burble combines light, sound, and narrative to foster imagination, emotional regulation, and creative expression.

Designed to support therapeutic and educational outcomes, Burble's technology promotes calm attentiveness and engagement for children and families navigating the autism spectrum. With a mission to bring comfort, connection, and creativity to underserved communities, Burble Creativity is pioneering a new frontier in inclusive, sensory-rich storytelling.

Devin Thorpe is a bestselling author, journalist, and advocate for social good, renowned for his work in highlighting changemakers who are making a positive impact on the world. Through his Substack publication and streaming television show, *Superpowers for Good*, Thorpe shares

inspiring stories of individuals leveraging their unique strengths—what he terms "superpowers"—to drive social change.

“Jay Goth’s work at Burble Creativity is a beautiful example of how innovation and compassion can come together to serve families in deeply meaningful ways,” said Devin D. Thorpe, host of Superpowers for Good. “I’m honored to share his story and help shine a light on the power of inclusive storytelling to create positive change.”

The show, which has produced over 1,200 episodes, features interviews with a diverse array of guests, including entrepreneurs, activists, and thought leaders, discussing their missions and the leadership skills that empower their work. Superpowers for

Good is accessible via the e360tv streaming network, YouTube, and major podcast platforms, offering audiences insights into the world of impact investing and social entrepreneurship.

Goth brings a wealth of experience in leadership and innovation. Under his guidance, Burble

“

Our goal is to provide comfort to the hundreds of families on our waiting list.”

Jay Goth, CEO

Creativity has launched initiatives aimed at providing this unique storytelling technology to families, including a recently announced mission-driven [crowdfunding campaign](#). “Our goal is to provide comfort to families and we currently have hundreds of families on our waiting list,” he stated. “We are seeking funding to bring this technology to market.”

In the upcoming episode, Goth will discuss Burble Creativity's mission, the challenges of launching a socially impactful startup, and the company's vision for the future. Viewers will gain insight into how Burble Creativity is striving to bring needed comfort to families through its innovative products and services.
