Our first book in this lineup, **WARNING Chief Apostle Ray**, offers a sharp and thought-provoking critique of certain contemporary religious figures. Drawing comparisons between biblical apostles like Moses, Elijah, and Jesus, and contemporary self-proclaimed apostles such as Jim Jones and Chief Apostle Ray, Thomas Vick's book raises critical questions about the authenticity of today's spiritual leaders. The book exposes what Vick calls

WARNING Chief Apostle Ray

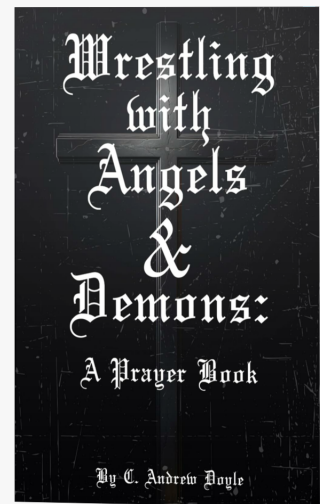

The Real You

"spiritual poisoning," warning readers about the dangers of false prophets. With an unapologetic tone, Vick challenges readers to examine their spiritual beliefs and warns them of the traps that lie within charismatic leadership, urging caution and discernment.

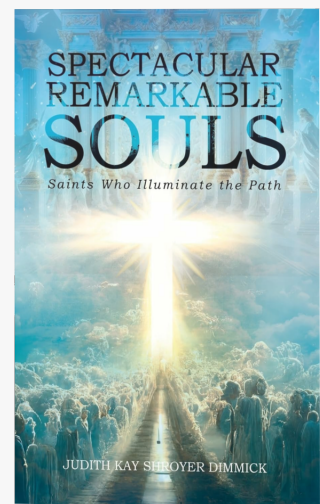

In this daring exposé, Vick contrasts the genuine apostles chosen by God—men who performed miraculous deeds with divine power—with modern leaders who may not be as spiritually grounded as they claim to be. By providing scriptural analysis and real-life examples, "WARNING Chief Apostle Ray" serves as both a warning and a call to spiritual awareness. The book also encourages readers to explore their own faith deeply, questioning the actions and motives of those who claim to lead them on their spiritual journey.

In our next book, *The Real You*, author Tony Winfree delves into the truth of who we are according to God's creation. This thought-provoking book aims to break down the layers of societal expectations and religious rules that obscure the true essence of who we are. Winfree emphasizes that our reality is shaped by God's original plan, one that transcends man-made doctrines. Through his passionate and personal guidance, he helps readers uncover their true identity, free from external labels and pressures, to fully embrace their divine purpose.

The revised edition of "The Real You" encourages readers to reconnect with their inherent worth as beings created in God's image. With a focus on self-discovery and spiritual growth, Winfree offers coaching and encouragement, empowering individuals to live authentically from a place of divine truth. This book is for anyone looking to embark on a journey of self-realization and live a life of purpose and fulfillment based on God's vision for them.

Wrestling with Angels and Demons

Spectacular, Remarkable Souls: Saints Who Illuminate the Path

For our third book, *Wrestling with Angels and Demons* invites readers to contemplate the life's struggles that mold and define our spiritual journey. Written with honesty and vulnerability, C. Andrew Doyle's collection of prayers captures the internal and external battles we face as we wrestle with both the divine and the demonic forces in our lives. Through these sacred prayers, Doyle explores the ways in which hardship and divine encounters shape our identity and walk with God, revealing the powerful transformation that occurs when we open ourselves to divine guidance.

Aspire to Inspire Moments

Each prayer in "*Wrestling with Angels and Demons*" serves as an invitation to engage in a deeper relationship with God, acknowledging that the journey of faith is filled with both struggles and triumphs. Through moments of despair and moments of grace, Doyle's words challenge readers to embrace their own battles with courage and trust in God's providence. This book offers both solace and strength to anyone who is wrestling with life's complexities.

Next is *Spectacular, Remarkable Souls: Saints Who Illuminate the Path* by Judith Kay Shroyer Dimmick. This inspiring book highlights the lives of extraordinary Christians throughout history, honoring saints whose enduring legacies continue to shape and influence Christian faith and practice today. In this inspiring book, Judith Kay Shroyer Dimmick highlights the lives of saints, from early figures to modern-day heroes, showing how their devotion, faith, and actions have left an indelible mark on the world. Dimmick emphasizes that all Protestants who follow Christ are saints, and this book seeks to honor those whose faith has illuminated the path for others.

Each chapter introduces a different saint, recounting their journey and impact on the Christian faith. The book offers readers an opportunity to reflect on the power of faith, dedication, and service to others, while highlighting the importance of saints in shaping the Christian tradition. "*Spectacular, Remarkable Souls*" is a powerful tribute to the saints who continue to inspire and guide believers in their own faith journeys.

In our final book for this lineup, *Aspire to Inspire Moments*, Ray Blackshire III offers profound reflections on faith, personal growth, and the transformative power of God's influence in our lives. With heartfelt messages that draw from his own experiences and the wisdom of scripture, Blackshire encourages readers to hold on to their faith, especially in times of adversity. This book reminds us that through faith, anything is possible, and Blackshire's words inspire readers to live

with purpose, hope, and unwavering belief in God's power.

Each page of "Aspire to Inspire Moments" is filled with words of encouragement and divine inspiration, offering readers a roadmap to live a life filled with faith, joy, and fulfillment.
