Ohio Senate Bill 33, effective immediately, allows businesses to display mandatory labor law posters electronically, aligning with modern workplace trends, including remote and hybrid work environments. This change eliminates the need for physical posters in certain settings, offering flexibility and accessibility for employers and employees alike. Edoc Service's [ePoster](#) division is

at the forefront of this transition, providing a robust platform that ensures compliance through digital dashboards, email delivery, intranet integration, and breakroom displays.
