"I cannot express how glad I am to have come upon this gem of a place. The owner communicated clearly and made sure to set me up with one of their lovely stylists. Kendra did an amazing job with my color and haircut — I'm in love with the results. She was not only super skilled but also so friendly and helpful! She gave me plenty of great tips for maintaining my hair and suggestions for someone new to the area. I felt so welcomed and well taken care of throughout the entire appointment. I'll definitely be coming back — highly recommend!"

"I had an amazing experience getting my haircut with Angelica! She is so detail-oriented and makes you feel like a brand-new person once you sit in the chair. I felt so pampered in the process. I don't know where else you would get this kind of luxury treatment. I've been to a lot of salons and nowhere have I felt this pampered during a haircut."

"Ray is the most talented, artistic stylist I have ever met — and an overall lovely human. I had an unfortunate cut/color from a different salon, which I didn't think could be salvaged, but Ray managed to not only fix it but gave me the most beautiful color and flattering cut. I've received so many compliments and honestly don't think my hair has ever looked this good. I truly appreciate that Ray listened to my concerns and really took his time on what was a very challenging repair. It was a lengthy fix, but I never once felt rushed or like an inconvenience. Ray is an incredibly talented artist, and I feel very fortunate to have met him."
